**SINGLE SOURCE TAPS KEVIN DUDEVOIR NEW VICE PRESIDENT OF CHANNEL SALES**

Indianapolis, IN – May, 29, 2008 – Single Source Systems, Inc. has named Kevin Dudevoir Vice President of Channel Sales. With more than 18 years of experience in the application software industry, Dudevoir will manage existing Single Source resellers and will build and manage new reseller relationships promoting and marketing the company's Service Management Plus™ (SM-Plus) solution, as well as other related products. Dudevoir's responsibilities will also include new business development, new account acquisition and existing commercial account management for SM-Plus.

Dudevoir most recently ran the Sage MAS 90/200™ reseller channel for Sage Software – a leading global supplier of business management software and services to small and medium-sized businesses – where he managed the day-to-day activity and sales results of more than 700 resellers. Prior to his role with Sage MAS 90/200, he was a Regional Sales Manager for Sage MAS 500 and was responsible for all sales in Southern California.

“With the application software industry knowledge Kevin already possesses, he brings along extensive experience with building strategic alliances and leveraging relationships with partners and 3<sup>rd</sup> party vendors. He has worked with and been an advocate of Single Source and SM-Plus for sometime now,” said Tony Petrucciani, CEO, Single Source. “We believe Kevin's background, coupled with the excitement and experience he already has selling SM-Plus, will help Single Source continue to hit and exceed our new sales business goals in the coming years.”

**About Single Source Systems, Inc.**

For companies that manufacture, sell, install or service technical or industrial products, Single Source is the solution partner of choice. In addition to developing and supporting service management software for 450 customers worldwide, Single Source focuses on the total success of their customers – making their businesses easier to manage internally and externally by making it easier for their customers, dealers and suppliers to do

(MORE)

business with them.
