

AGREEMENT DESIGNER

PRODUCTIVITY TOOLS FOR ACUMATICA

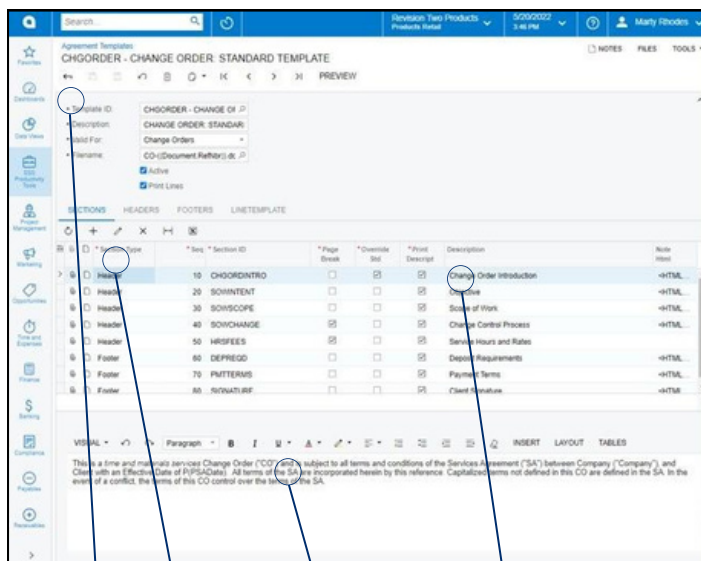

Single Source Systems Productivity Tools address some of the most common issues that Acumatica users face day-to-day.

Agreement Designer: We make it faster and easier to create contracts and proposals. Embed legal or contractual text with data automatically pulled from select Acumatica documents. Create content once and reuse it multiple times with convenient templates. Customize the template to fit the requirements of each unique agreement.

Anyone who works with Projects, Subcontracts, Sales, Services, Purchase Orders, and other Acumatica document types will appreciate this time-saving tool.

- Embed legal, contractual, or any text with data extracted from supported Acumatica document types
- Turn content into templates and reuse multiple times
- Unlimited templates and agreements

- Identify sections to change
- Create as many template types as you need
- Insert binding language into the document
- Choose from pre-written text blocks to insert

- Save time
- End frustration
- Improve accuracy
- Empower workers

- Deploy smoothly
- Learn quickly
- Budget easily
