PLAN AND EXECUTE MULTI-TIER INCENTIVE PROGRAMS WITH EASE, SPEED, AND ACCURACY

Managing incentive and commission programs can be complex and time-consuming. From annual planning and setting quotas to the monthly calculation of levels achieved, bonuses, and funds due to individuals, the entire process can be tedious. IncentViz from Single Source changes that. The SaaS tool seamlessly connects to Infor Cloudsuite Industrial (SyteLine) or Infor Cloudsuite Distribution giving you an easy-to-use application for planning, calculating commissions, and updating participants on their progress to goals and the next achievement tier.

Manage incentive and commission plans

Managers need tools to help them motivate their teams, establish achievable goals, communicate policy, and measure against progress.

IncentViz helps managers see the company-wide view as well as identify individual high achievers and opportunities to improve.

Streamline tedious accounting processes

Accounting and program administrators can spend countless hours calculating commissions. Manual processes are error-prone and can slow up monthly payments--frustrating participants.

IncentViz automates processes, saving time, and helping accounting process commissions quickly.

Provide sales reps with any-time visibility

Sales teams, whether internal or external channel partners, perform at their best when they are rewarded commissions and incentives.

IncentViz provides a self-service portal so sales reps can monitor their quota progress, track commissions paid and due. Keeping them focused and pursuing their goals.
